

Sudanese Professionals Club **Digital Platform**

A premium, bilingual hub built to connect professionals, foster knowledge exchange, and host interactive workshops and communities.

Actionable Home & Dashboard

The gateway to the SPC network features a personalized dashboard, structured announcement cards, and dynamic recent activities.

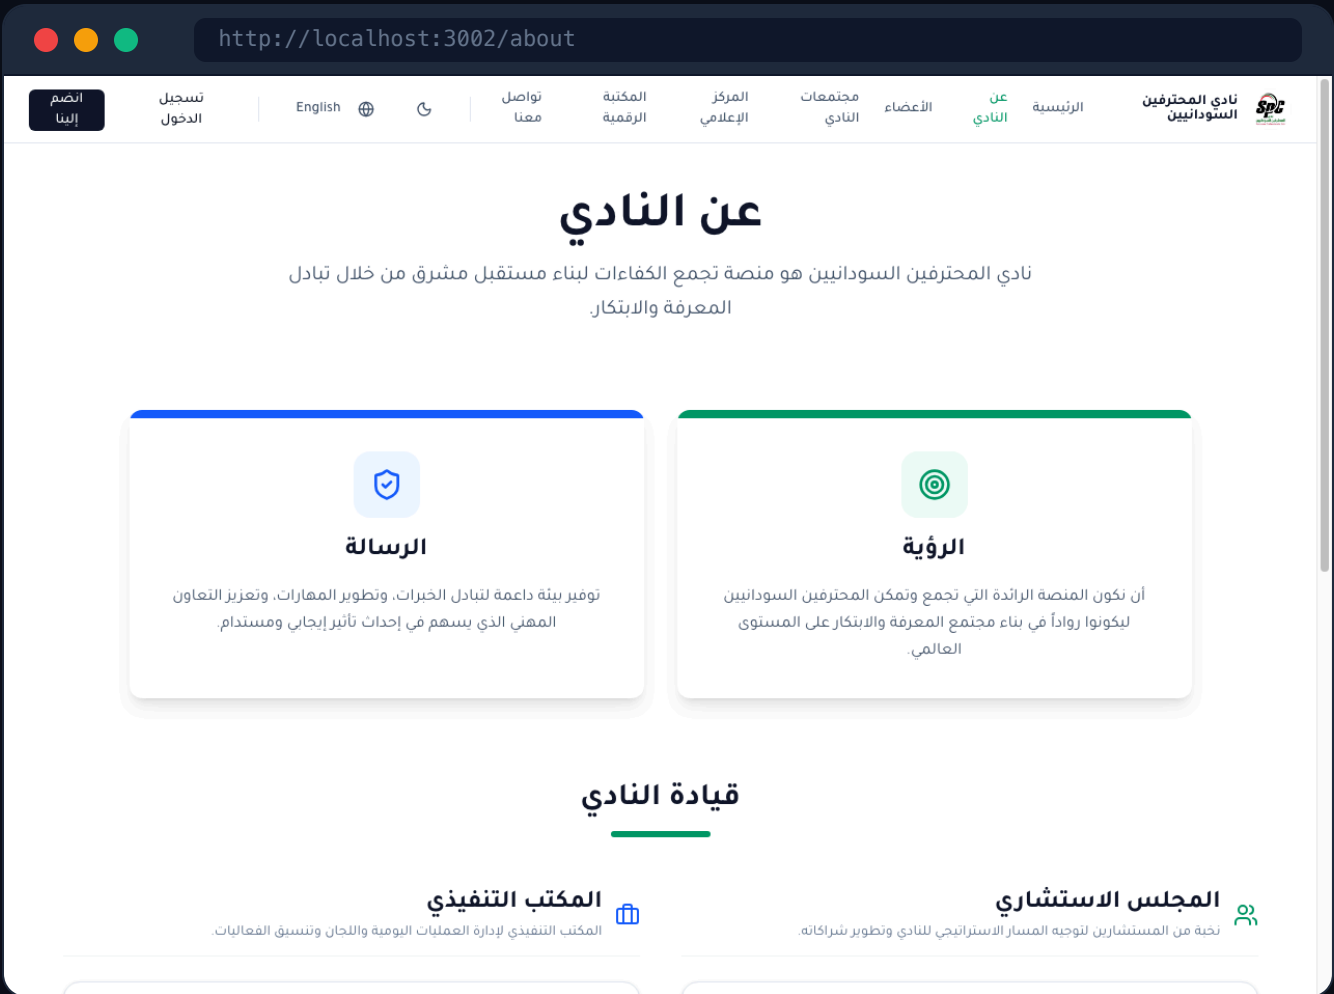

- ✦ **Bilingual Navigation:** Instant layout flip (RTL/LTR) supporting Arabic and English seamlessly.
- ✦ **Next Session Card:** Dedicated section highlighting the immediate next scheduled workshop with live status.
- ✦ **Recent Activities Grid:** Interactive display of past session flyers showcasing completed club sessions.
- ✦ **Dynamic Metrics Band:** Real-time counters showing active members, events held, and active communities.

Mission & Organizational Chart

Details the institutional identity, leadership boards, and dynamic committee relationships mapping SPC operations.

- ✦ **Vision & Mission:** Dual premium gradient cards detailing short-term and long-term club objectives.
- ✦ **Advisory & Executive Boards:** Responsive grids highlighting senior advisors and operating executives with profile links.
- ✦ **CSS-based Org Tree:** Visual structural diagram displaying specialized committees (Tech, Events, Communities).
- ✦ **Responsive Styling:** Fully fluid diagram adapted to dark mode and standard resolution widths.

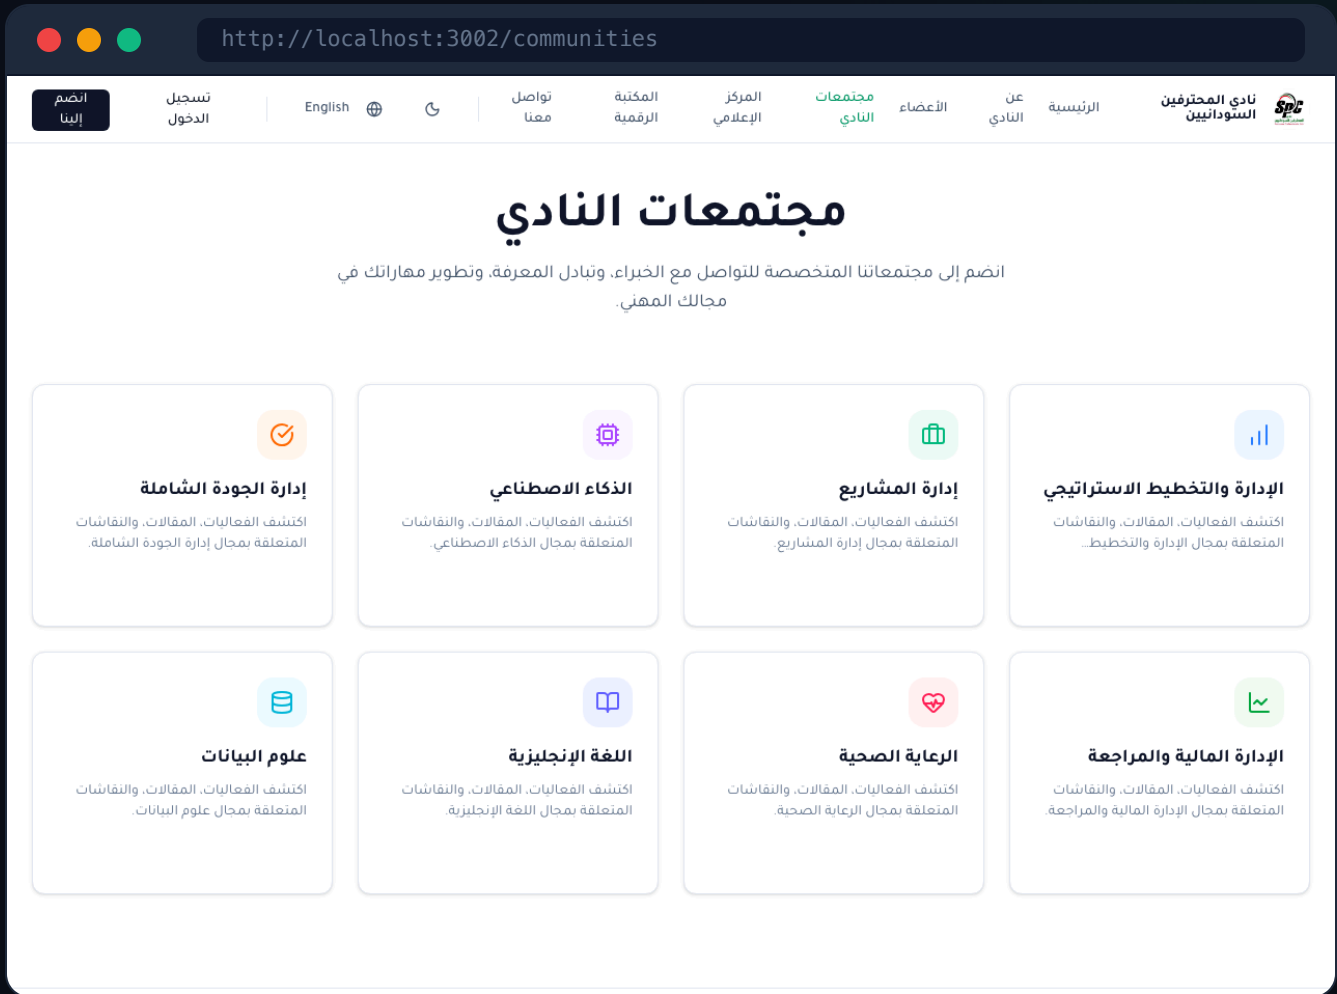

03 / SUB-HUBS

Specialized Communities

Enables targeted networking and skill sharing across eight distinct professional domains.

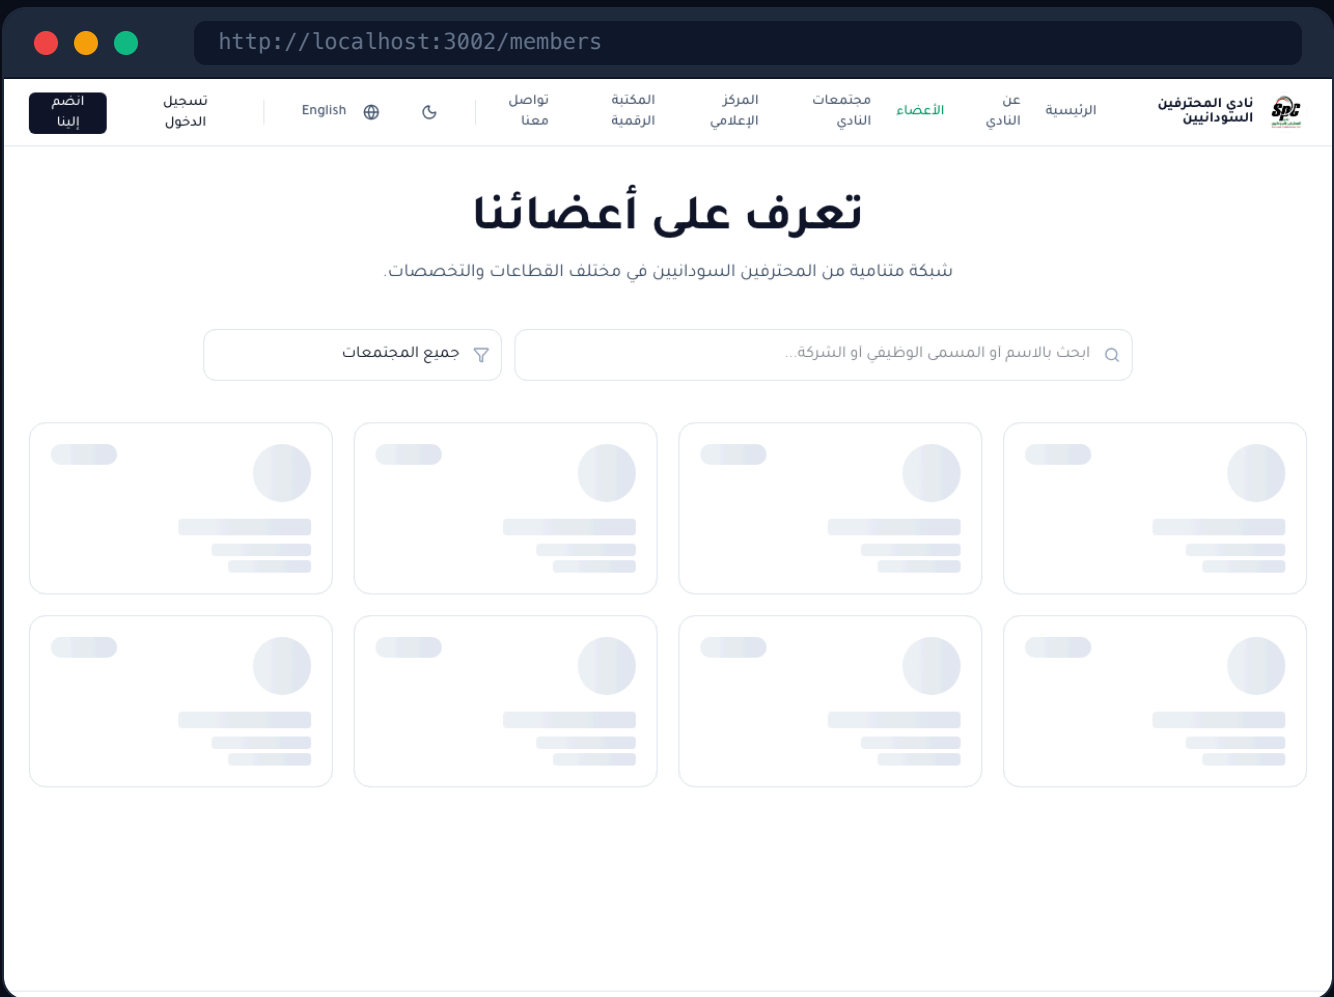

- ◆ 8 Dedicated forums for AI, Project Management, Professional Healthcare, Data Science, and TQM.
Areas:
- ◆ Dynamic Directory Communities query profiles dynamically, displaying active local members.
Matching:
- ◆ Events Fetches activities matching the specialized
Integration: category directly from the database.
- ◆ Discussions & Message Boards: Built-in widgets mapping upcoming community discussion threads.

Directory & Member Profiles

The core network directory enabling professional search, location filtering, and detailed user portfolios.

- ◆ **Live Search Filters:** Real-time keypress filtering matching names, roles, company tags, and field expertise.
- ◆ **Privacy Controls:** Optional public listing toggle allowing users to keep profiles private.
- ◆ **Attended Activities:** Dynamically loads list of registered events linked to each member's history.
- ◆ **Mock Chat Panels:** Lock overlays previewing future direct messaging widgets between club members.

Contact & Stateful Validation

A stateful support channel with client-side field validation, asynchronous sending loaders, and delivery success UI.

- ◆ **Asynchronous Submissions:** Form handlers preventing double submission and maintaining a loading spinner state.
- ◆ **Error Validation:** Real-time verification alerting user of missing inputs or invalid structures.
- ◆ **Success View:** Animated check circle confirmation replacing the form upon successful transmission.
- ◆ **Bilingual Labels:** Form direction adjusts automatically based on active language configurations.

The screenshot shows a web browser window with the URL `http://localhost:3002/contact`. The page has a dark header with navigation links in Arabic: 'الرئيسية' (Home), 'عن النادي' (About the Club), 'الأعضاء' (Members), 'مجموعات النادي' (Club Groups), 'المركز الإعلامي' (Media Center), 'المكتبة الرقمية' (Digital Library), 'تواصل معنا' (Contact Us), 'English', 'تسجيل الدخول' (Login), and 'انضم إلينا' (Join Us). The main content area is titled 'تواصل معنا' and includes a sub-header 'نحن هنا للإجابة على استفساراتكم واستقبال مقترحاتكم.' (We are here to answer your inquiries and receive your suggestions.). Below this is a form titled 'أرسل رسالة' (Send Message) with four input fields: 'الاسم الكامل' (Full Name), 'البريد الإلكتروني' (Email), 'الهاتف' (Phone), and 'العنوان' (Address). A green button labeled 'إرسال الرسالة' (Send Message) is at the bottom of the form. To the left of the form, there is contact information for SPC: 'البريد الإلكتروني' (Email) as `info@spc.org.sd`, 'الهاتف' (Phone) as `+249 123 456 789`, and 'العنوان' (Address) as 'الخرطوم, السودان' (Khartoum, Sudan).
